**RESUME-CONCLUSION**

**Orchesterverein Hilgen 1912**

**Test piece:     Divertimento, Olivier Waespi**

A great first impression in the test piece, nice details and atmosphere.  
The 2<sup>nd</sup> part was a little bit static. Very good solo players.  
The funk-style was good; the balance almost good.  
Tempi and climax were again very good in the final part.

**The free programme:**

**Bachseits, Johannes Stert**

In all aspects a fantastic performance.  
A musical sensation of the highest level.  
And a great composition.

**Jubiläumskonzert, arr. Johannes Stert**

It was a risk to put three different composers together in one transcription, but the result was very good.  
Wagner: impressive in sound and character.  
Verdi : as a scherzo, delicate.  
Britten: a perfect style.

In general a fantastic concert, showing the great capacity of the musicians and the conductor.

Congratulation and compliments.
